MyBudget serves Brisbane clients right across South East Queensland — from the Sunshine Coast to the Gold Coast, the CBD to Ipswich and Redlands, and every suburb in between.

Since 1999 we have helped more than 130,000 Australians live free from money worries, and Queenslanders have been part of that story every step of the way.

How Brisbane appointments work

You don't need to come to us. **All Brisbane appointments happen by phone or video, at a time that suits you.**

That means:

- **No trip into the CBD** for a 10-minute first chat - **Appointments before work, at lunch, after hours, or on weekends** — flexibility is the point - **Access from anywhere in South East Queensland** — Brisbane CBD, Chermside, Ipswich, Logan, Redlands, Toowoomba, the Sunshine Coast, the Gold Coast - **Same service, same Money Coach relationship** wherever you are

Who we help in Brisbane

Queensland clients face a mix of pressures that are getting more familiar every year:

- Cost of living rising faster than wages - Rent and mortgage costs pushing further out - Buy-now-pay-later and credit card debt that added up quietly - Families balancing school fees, sport, and the extras that make life good - Fly-in-fly-out and shift workers with irregular income patterns - Small business owners separating personal cash flow from business cash flow - People starting over after separation or divorce

Whatever the shape of your finances, the MyBudget Method starts the same way: a free 10-minute chat, then a customised 12-month plan built around your life.

Real clients, real outcomes

Our client stories are grounded in real people — many of them with situations that will feel familiar to Brisbane households.

- **Michelle and Phil** paid off \$40,000 in debt and now save \$3,000+ a month. See [their story](/trust/client-success-stories/michelle-and-phil/). - **Caroline** rebuilt after divorce as a single mum of three, built her dream home, and went back to study. See [her story](/trust/client-success-stories/caroline/).

Book your Brisbane appointment

The first appointment is free, obligation-free, and takes about 10 minutes.
