MyBudget serves Melbourne clients right across greater Melbourne — from the Mornington Peninsula to the northern suburbs, the west to the outer east, and everywhere in between.

Since 1999 we have helped more than 130,000 Australians live free from money worries, and Melbourne has been part of that story for years.

How Melbourne appointments work

You don't need to come to us. **All Melbourne appointments happen by phone or video, at a time that suits you.**

That means:

- **No trip into the CBD** for a 10-minute first chat - **Appointments before work, at lunch, after hours, or on weekends** - **Access from anywhere in Melbourne** — the CBD, Frankston, Werribee, Preston, Ringwood, Dandenong, Sunbury, Berwick, St Kilda, the Yarra Ranges - **Same service, same Money Coach relationship** wherever in Melbourne you are

Who we help in Melbourne

Melbourne clients bring the full range of situations we see across Australia. Some of the patterns that come up often:

- Cost of living pressure after several years of rising bills - Mortgage stress in a city with high property prices - Rent absorbing more of each pay than it used to - Credit card and buy-now-pay-later debt built up quietly over time - Families juggling school fees, sport, and the everyday extras - People rebuilding after separation or divorce - Higher-income households wanting to fast-track goals like an investment property or comfortable retirement

Whatever the shape of your finances, the MyBudget Method starts the same way: a free 10-minute chat, then a customised 12-month plan.

Melbourne clients we have supported

Some of Australia's most well-known MyBudget stories connect to Melbourne. **Kylie and Scott** — 18-year MyBudget clients — travelled to Melbourne for their newborn daughter Abby's emergency heart surgery during the lowest point of their financial and personal lives. MyBudget stepped in with their creditors so Kylie and Scott could focus on Abby. Read [their story](/trust/client-success-stories/kylie-and-scott/).

Book your Melbourne appointment

The first appointment is free, obligation-free, and takes about 10 minutes.
