MyBudget serves Sydney clients right across the Greater Sydney basin — from the Northern Beaches to the Sutherland Shire, the Inner West to the Blue Mountains, and everywhere in between.

Since 1999 we have helped more than 130,000 Australians live free from money worries, and thousands of them are in Sydney.

How Sydney appointments work

You don't need to come to us. **All Sydney appointments happen by phone or video, at a time that suits you.**

That means:

- **No commute across the city** for a 10-minute first chat - **Appointments before work, at lunch, after hours, or on weekends** — flexibility is part of the point - **Access from anywhere in Sydney** — Parramatta, Bondi, Penrith, Chatswood, Cronulla, Manly, Liverpool, Hornsby, the CBD - **Same service, same Money Coach relationship** whether you are in a Bronte flat or a Blacktown house

Who we help in Sydney

Sydney has some of the highest housing costs in the country. Alongside a full national picture of client situations, the patterns we see most often in Sydney include:

- Mortgage stress on median incomes - Rent absorbing an unhealthy share of pay - Cost of living pressure on families and single earners - Credit card debt built up during rate rises - Investment property planning for higher-income households - Divorce and separation reshaping household budgets

The Sydney context is different. The MyBudget approach isn't — we build a plan around your actual income, your actual bills, and your actual goals.

A Sydney client's story

Megan and Creagh are a Sydney couple in their 30s who came to MyBudget with almost \$91,000 in credit card debt. Within 10 months they cleared five cards and around \$60,000 — no consolidation loan, no bankruptcy filing, just a plan built around what they could actually afford.
